

Creta Design

The idea of simplicity is a strong theme for any furniture styles and you will often see hotels following this theme and opting for the chic designs that wouldn't look out of place in any other European city.

Positive first impressions are essential in a hotel where the design and quality of the furniture can give the right perception to your guests and the general public. It's definitely worth investing in some quality furniture to make sure your hotel stands head and shoulders above the rest.

From furniture for public areas, bars and pubs and restaurants, to retail outlets, hotel rooms and luxury residences, the company ensures that each project remains a one-stop shop solution for clients taking designer drawing from concept to completion. S.A.W. Ltd integrates a variety of different materials ranging from stainless steel, brass, iron, glass, mirrors, marble, stone, upholstery and man-made and natural wood to create unique furniture pieces.

Whatever style of furniture you're looking for, S.A.W. Ltd offers select items to give your guests exactly what they deserve: fine design and comfort!

S.A.W. Ltd offers endless possibilities, attending to the client's specific needs from start to finish.
